

## **SHAC PROGRAM GOALS**

1. Have staff visit the room on a regular basis to observe and share their expertise.
2. Document, document, document
  - a. Weekly progress reports from teachers via SASI
  - b. Community-service/service-learning hours
  - c. On-line hours
  - d. Behavior (positive and/or negative) via teacher note
3. Develop a PEP for each student that focuses on careers exploration, academic achievement, and socials development
4. Monthly meetings w/ parents
  - a. Get parents in on a monthly basis to review the PEP and revise it as needed. These meetings should be scheduled through the end of the year.
5. Make progress towards graduation
  - a. On-line recovery
  - b. Focus on regular classes and get them to pass a higher percentage of their courses (compared to last semester).
6. Stay complete with all assignments at all mid-term point in the semester.
7. Explore and prepare for future employment (if not already employed)
  - a. Use employment contract and talk with employer every two weeks for those students who have employment.
