IS MY CHILD STILL ELIGIBLE FOR SUMMER MEALS?

Yes, your child is still eligible. Families can use Summer P-EBT benefits and still pick up summer meals if they are available in their community.

WHAT DO I NEED TO DO TO GET THIS BENEFIT?

This year parents/guardians **must** complete an application to receive the Summer P-EBT benefit. The application can be completed online at <https://ndsummerebt.nd.gov>. It is a mobile-friendly application. If you can't complete the application online, you can get a paper application by sending an email to snap-pebt@nd.gov or downloading it from our [website](#) (ND DPI Child Nutrition and Food Distribution).

HOW MUCH WILL THE SUMMER 2023 BENEFIT BE? HOW WILL MY FAMILY RECEIVE THE BENEFIT? DO THE BENEFITS EVER EXPIRE?

The Summer 2023 P-EBT benefit will be a one-time payment of \$120.00 per eligible child. Families will receive the total amount of benefits for the eligible children in their care on a single, new, P-EBT card. P-EBT cards that were issued in prior years will not be used. P-EBT benefits will remain available and accessible for up to nine months from the date they are issued. However, when they expire, they are gone. So, make sure to use up all the benefits before they expire!

WHAT IS THE TIMELINE AND PROCESS FOR PAYMENT?

Depending on when your application is received, benefits will be issued on the following timeline:

- Application received by June 11th: Benefits issued July 13th
- Application received by July 23rd: Benefits issued August 3rd
- Application received by August 21st: Benefits issued September 7th

Households should allow 7-10 days for cards to be delivered through the mail.
