

Technology Overview

*Educating today's
learners for
tomorrow's world.*

Device Overview

Classroom Educators

Windows 10 Laptop

iPad

Learners

iPad

Devices for Sub Staff

Educator should leave devices or device available from office check out fleet.

Using Devices

- DISTRICT PCS – REQUIRE LOGIN

- Sub login for the building available in the office
- Limited account – essentially access to the web
- Can be used on any district PC device
- Please use account for the school you are located at for that day
- This account has access to outlook-which can receive staff emergency emails

Technology Support

- Good Sub Plan
- Neighboring teachers – teacher team
- Front office staff
- Media center staff
- Tech Request system: <https://www.apps.west-fargo.k12.nd.us/aspapps/helpdesk>

Long Term Sub Process

- Staff on leave or other building representative puts in a tech request.
 - Tech request will start the process for account creation for the sub
 - Matches your account to the teachers account – same email lists, access permissions
 - Shared access for PowerSchool
 - Access to Schoology for secondary subs

Questions you have – how can we support you?
