

WHEN IS SICK TOO SICK FOR SCHOOL?

I should be at school if...

I have a runny nose with clear discharge.

I have a tickle in my throat.

I have not vomited or had diarrhea in 24 hours and did not need medicine.

I have not consumed any fever-reducing medication in the last 24 hours and have not had a fever during this time.

I should be at home if...

I have a temperature of 100.4 degrees or more.

I have a sore throat and fever.

I have an uncontrolled cough and difficulty breathing.

I have an undiagnosed rash and/or sores.

I have vomited or had diarrhea in the past 24 hours.

I have eyes that are red and sore, with yellow or green discharge.

I should contact my doctor if...

I have a temperature of 100.4 degrees or more for more than two days.

I have had a sore throat and fever for several days.

I have been vomiting or having diarrhea for more than two days.

I have a fever and now have a rash and/or sores.

I have been coughing for more than a week and it isn't getting better.
