

West Fargo Public Schools prepares all learners with the knowledge and skills to be contributing citizens in a rapidly changing world. We are dedicated to continuous improvement, engaging every student to become problem solvers and lifelong learners. Excellence is achieved through practices based in research, and by aligning all resources to support learning.

Strategic Goals:

- 1) All WFPS students will be empowered to continuously develop, improve, and connect 21st Century Skills and academic proficiency in all content areas.
- 2) All WFPS students will graduate ready to pursue lifelong learning, find their passion and contribute to society.
- 3) All WFPS students will be engaged in nurturing and safe learning environments that allow them to grow and develop their physical, social and emotional wellbeing.

When parents or guardians have concerns about school, they are asked to first contact the school employee who is nearest to the situation of concern. If parents do not feel the issue is resolved after talking to that person, they should contact the building principal, followed by the elementary assistant superintendent, Rachael Agre, if the matter is still not resolved. If that should fail, parents should contact superintendent Beth Slette. A parent's final avenue is to file an appeal with the School Board, which is done through the Office of the Superintendent.

WEST FARGO PUBLIC SCHOOLS

“Educating today’s learners for tomorrow’s world.”
