

News from the WFHS Counseling Department February 2022

The WFHS Counseling Department is looking forward to second semester! We will continue to work with students individually, in groups, and in classrooms.

School counselors help all students:

- apply academic achievement strategies
- manage emotions and apply interpersonal skills
- plan for postsecondary options (higher education, military, work force)

Students and families are encouraged to check the WFHS Counseling Department website often for important information and updates: <https://www.west-fargo.k12.nd.us/domain/880>.

Please contact your student's school counselor with any questions/concerns.

North Dakota Academic and CTE Scholarship

Senior students graduating from a North Dakota high school may be eligible for one of three scholarships that can be used at a North Dakota college, university, or eligible training program. There are several requirements that must be met to be eligible for a scholarship worth up to \$6,000. Information on these scholarships can be found [here](#). Please contact WFHS's Career Advisor, Hannalee Shaw, at hshaw@west-fargo.k12.nd.us with any questions.

College Entrance Exam – ACT

Some institutions and scholarship applications require an entrance exam for admission or consideration. There are two tests that will usually satisfy this requirement. Most four-year colleges in our area use the ACT but will accept the SAT as well. The ACT exam measures skills in English, mathematics, reading, and science reasoning. Please note that due to COVID 19, many institutions have revised their ACT/SAT policy for next year's admissions process. Please be sure to check admission policies for any schools a student might apply to.

To receive the results in time to meet application deadlines, we encourage seniors to retake the test early in the school year. Seniors should test no later than **February** to have test scores available for consideration for most scholarships and some applications. Listed below are the test dates and registration deadlines for the ACT. The registration fee is \$60 or \$85 with the Writing Test. Go to www.act.org to register. Students with documented economic needs may be eligible for a fee waiver. Students can visit with their school counselor or career advisor for more information. See below for test dates and registration deadlines.

2 WEEKS LEFT TO SIGN UP!

According to testing giants ACT and SAT, most high school graduates *don't score high enough* on college entrance exams to be considered "ready" for their freshman college classes.

Now more than ever, parents are being encouraged to help their children improve study and test-taking skills – starting as early as middle school.

We can help your student prepare – and help them improve their test performance. It starts with a one-time, five-hour seminar that's *proven to be effective*. Most students notice impressive test-score increases after the session.

A Doorway to College Foundation session is headed to your school. Get your student signed up! Then check out the other resources we offer...
