

LOCKERS AND STORAGE AREAS

Lockers, desks and storage areas are the property of West Fargo Public Schools and are assigned for school use only. Ownership and control of all lockers is retained by the school district. All school property, including student lockers, desks and storage areas are subject to being searched by school officials with or without prior notice to the student. Access to all lockers is a legal right of school officials whose responsibility it is to protect the health, safety and welfare of all students enrolled.
