Serving Periods & Starting Cash *Elementary*

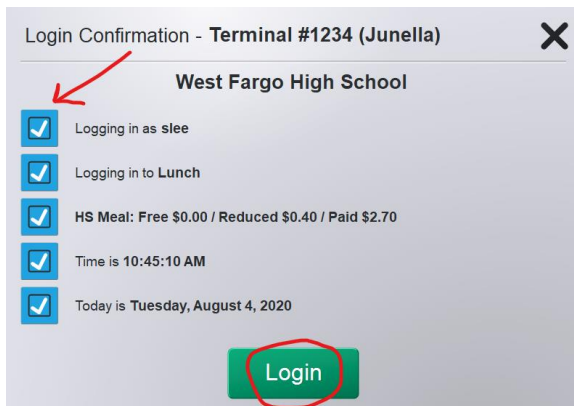

1. Login to Mosaic

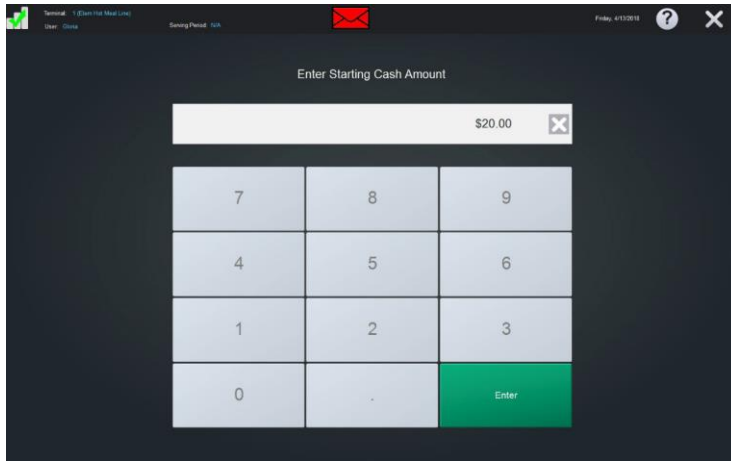

2. Select the appropriate meal period that is going to be served – **Breakfast** or **Lunch**. Press **OK**.

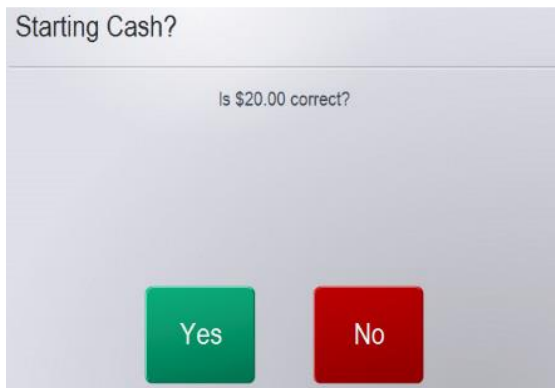

3. A confirmation prompt displays. Click the check boxes on the left to confirm.

- After selecting the serving period, the 'Enter Starting Cash Amount' window displays.

- Leave the amount set to **\$0.00**
- Press **Enter** at the bottom of the number pad.
- The following prompt asks to verify the Starting Cash amount that was entered.

- Press **Yes** to confirm the amount is correct or **No** to change the amount of starting cash that was entered.
- The following is a sample 'Transaction Ready' screen. As students enter their number on the keypads or student barcodes are scanned, meals can be sold.
