West Fargo Public Schools’ School Board Selects Next Superintendent

WEST FARGO, ND – (March 26, 2018) – At a special session of the School Board this evening, Board members reviewed the final materials for the two remaining finalists for the position as the district’s next superintendent. Upon further discussion, the School Board members voted 7-0 to offer the position to Mrs. Beth Slette.

Mrs. Beth Slette began her career in education in 1992 as an elementary teacher in Naytahwaush, Minnesota. She came to West Fargo Public Schools in 1994 and has since held multiple positions within the district: elementary teacher, transition coordinator, middle school assistant principal, elementary principal, and Director of Assessments and Federal Programs. She accepted the position as the district’s Assistant Superintendent for Elementary Education in 2013.

Mrs. Slette holds a Master of Science in Educational Leadership from North Dakota State University and a Bachelor of Science in Elementary Education from Minnesota State University Moorhead.

If contract negotiations are settled and agreed upon, Mrs. Slette will officially assume the role of superintendent on July 1, 2018 following the retirement of Dr. David Flowers whom has served as the district’s superintendent since 2010.
