West Fargo Public Schools Continues to See Enrollment Increases

WEST FARGO, ND – (August 29, 2017) – West Fargo Public Schools had 10,635 students recorded on the first day of school today, Tuesday, August 29. That is an increase of 584 students from what was reported on the first day of the 2016-2017 school year.

West Fargo Public Schools saw 238 additional students in grades K-5 and an additional 333 students in Grades 6-12.

Since the 1996-97 school year, WFPS has seen unprecedented and continued growth, enrolling 5,757 additional students. The district currently ranks as the third largest in the state, but could easily increase its ranks in the coming years. West Fargo Public Schools truly is the region's district of choice!
