A green and white mascot logo is positioned in the center of the image, behind the text. The mascot is a stylized, green creature with a large, bushy head, a wide, toothy grin, and large, expressive eyes. It has a green body with white outlines and is wearing white sneakers with green laces. The mascot's arms are raised, and it appears to be in a dynamic, energetic pose. A small registered trademark symbol (®) is visible to the right of the mascot's head.

## West Fargo

**Coach:** Darin McKinnon (22nd season)

**Last season:** sixth in the Eastern Dakota Conference, 15th at state meet

**Who's gone:** Tiana Pfaff and Jesse Price.

**Key returners:** Kaelyn Berg, Fr., distance; Clare Boldingh, So., distance; Madison Connors, Sr., jumps; Abby Donarski, Sr., jumps/hurdles; Taylor Haberlack, Jr., hurdles; Emily Hansen, Jr., distance; Hope Pringle, Jr., distance; Jasmine Williams, Fr., sprints.

**Coach's comments:** "The girls team looks to be balanced after losing points in the jumps due to graduation. We do have a good group of young talent that can score points in varsity meets."

West Fargo's Jasmine Williams, center, sprints to the finish against Fargo Shanley's Grace Emineth and Bismarck's Mady Mosolf at the Packer Relays in West Fargo on Friday, May 3. David Samson / The Forum

WEST FARGO, ND - After some intermittent rain through the afternoon, the sun shined on West Fargo High School for the 2019 Packer Relays Invitational.

South junior Abdi Mohamed cruised to a first place finish in the boys 1600 meter with a 4 minute 38 second time.

Claire Leach notched a 59.16 second time for Red River in the girls 400 meter dash.

Kindred's boys 4x100 team impressed edging out West Fargo and South with a 44.12 second finish.

## **‘I did what I had to do’: Resilient Corode making big jumps for West Fargo track team**

Written By: Clayton Cunningham | May 7th 2019 - 8am.

Nsengiyumva Corode's resilience was forged at a very young age.

An undersized Corode has endured major challenges his entire life, having been born into the African country of Burundi while it was in the midst of a civil war.

He doesn't remember much from his early childhood other than spending the bulk of each day hunkered down inside with his family, trying to remain safe from the conflict outside. There was, however, one task Corode remembers that required him to leave the confines of the family home.

With no clean water in the house, Corode recalls making a “really long walk (of) 4-5 miles” to the closest river, where he would fill up two buckets, then lug them back home for the family to use that day.

“I didn’t have the muscle to carry those heavy buckets of water, but I just believed that I could,” he said. “It was a long walk, but I did what I had to do.”

Hoping to improve their lives, Corode, his mom, dad and three sisters immigrated to America in the mid 2000s. After initially landing in Pierre, S.D., the family moved to West Fargo when Corode reached second grade.

Having to learn a new language and adjust to the customs of a new country, Corode admits he struggled at first. But when asked how he got through it, he echoes a familiar refrain.

“I did what I had to do.”

Having endured all this by the time he got to high school, the challenges of being an undersized jumper for West Fargo High School’s track and field team doesn’t seem so challenging.

Despite being listed at just 5-feet-7-inches tall, Corode, now a senior, has become one of the state’s top competitors in both the long jump and triple jump. He finished third in the long jump and fourth in the triple jump at the 2018 state meet.

Noticing Corode’s obvious abilities when he joined the team as a freshman, Packer coach Darin McKinnon and his staff honed in on improving his technique.

“We knew there was some talent there, but he was really raw,” McKinnon said. “It’s just taken more time, but he’s really kind of found his place.”

For Corode, part of getting to that place was not allowing himself to be defined by his physical limitations.

“I wish I was a bit taller and longer to compete with the others, but it hasn’t really affected me,” he said. “Growing up. I knew I wasn’t going to go anywhere with my height, so I decided to work with what I had. I just had to work harder than a lot of people. And it just shows how hard I’ve worked with the position I’m in now.”

Though hoping to continue his athletic career at the collegiate level, those plans will be put on hold, as Corode intends to enlist in the National Guard after high school. Intrigued by a recruiter he met at a career fair, he plans to do his basic training at Fort Jackson in Columbia, S.C.

But before he gets there, Corode feels he has plenty left to accomplish on the track.

With personal best distances of 22 feet, 11 inches in long jump and 45 feet, 10 inches in triple jump, Corode is within striking distance of Jaime Heinen, who holds the program record (24-3 in long jump, 47-2 in triple jump) in each event.

Corode is unsurprisingly setting his sights even higher.

“A lot of people say that I’ve peaked, but I keep telling them that I’m going to keep working hard and hopefully break the school record, even the state record,” he said. “Show them that no matter what size, anybody can do anything if they put their heart into it.”

2019 EDC Track & Field Champions

# West Fargo boys repeat as EDC Track Champs

FARGO — Braxton Bruer saw the importance of getting out to a fast start at last season's Eastern Dakota Conference boys track and field Championships and did his part to make sure West Fargo did so again this year.

Bruer made a late push down the stretch of the day's first race, the 3200-meter relay, to spark the Packers to an early win enroute to a second consecutive EDC title at Fargo South High School Friday.

The Packers finished with 132 points, coming in 26 points better than runner-up Fargo Shanley.

After the Shanley team took the lead on lap three, Bruer, a senior, quickly took it back on the final lap, pulling ahead and leading the Packers to a winning time of 8 minutes, 15.84 seconds, nearly seven seconds better than the Deacons.

"Last year we won (the relay) and it just set a really good tone for the meet and we ended up winning it," Bruer said. "We had a good chance at winning again and we just wanted to go out and pump up our team again and we did."

As they have for much of the year, the Packers then leaned on a dominant effort in field events to close out.

Nsengiyumva Corode captured wins in both the long (22 feet, 11.25 inches) and triple jump (46-10.5), while KC Ortiz (51 feet) and Luke Lennon (58-11) earned wins in shot put and discus respectively.

The performance was pleasing to veteran coach Darin McKinnon, who believes his team is peaking at the right time.

"Anytime you can get into a state competition, it's always exciting because you always have the opportunity to compete against the best," he said. "And I believe our kids are up to that task. You get to this part of the year and it's all about finish."

The Packers overcame a dominant performance by Shanley sophomore Henry Collins, whose three individual wins didn't even prove to be the highlight of his day.

Following wins in the 100 (11.12) and the 400 (49.89), Collins set a new meet record in the 200 with a time of 22.05.

He proceeded to save his best for last in the day's final race, the 1600 relay, where anchored a furious comeback that resulted in a late pass of Bruer, pushing the Demons to a winning time of 3:28.81, a half-second ahead of West Fargo.

Within seconds of the race finishing, an exhausted Collins had collapsed on the infield turf.

"When I crossed the finish line I had nothing left," he said. "I came in, I wanted to win all my opens and I did just that."

Jack Christl also earned a win for Shanley, taking first in the 300 hurdles in 40.65.

Bruer had another photo finish in the 800, where he finished just one-tenth of a second behind Fargo North's Alex Luz, who worked his way up from fourth place in the race's final lap to win in 1:58.86.

Luz, the defending state champion in the 1600, showed off his celebrated kick at the end of that race as well, running a 4:27.94 to win by under a second against West Fargo Sheyenne's Jacob Knodle, who'd led the first three laps.

"I trust my kick a lot," Luz said. "It helps in races that are close. You just have to believe in yourself and tell yourself you can do it when your body's struggling."

Knodle rebounded from that loss in the 3200, which he won in 9:52.67.

Elsewhere in the metro area, Fargo South earned wins in the 400 and 800 relays. Anthony Paye, Jamal Spiyee, Trehvon Montgomery and Bakarr Fulla won the 400 in 44.21, with Paye, Bless Flomo, Sibomana Enock and Fullah winning 800 in 1:31.27.

## Corode shatters triple jump record at state track meet

**BISMARCK** — With the state record already in hand, Nsengiyumva Corode had another goal in mind when he stepped up for his final leap in the triple jump at Friday's North Dakota Class A state track and field meet.

The West Fargo senior shattered both the school and state meet record in the triple jump, lunging a distance of 48 feet, 5 inches at the MDU Resources Community Bowl.

On his second jump of the day, Corode recorded a jump of 47-1.5, narrowly topping the previous record of 46-9, set by Mike Backes of Grand Forks Red River in 1998.

He was just warming up.

On his final jump, with a swarm of teammates and coaches loudly cheering him on, he splashed down with a mark that was 1 foot, 3 inches longer than the previous school record set by Jaime Heinen.

"I had the school record on my mind this whole year," he said. "I cleared my mind, I told myself I could do it and I did it. As soon as I landed (I knew) that was the best jump I ever had. I didn't even think my body could go that far."

Corode led a stellar showing in triple jump for the Packers, who had three of the event's top four finishers. Marcus Gulley took second at 44-4, while Jada Kuchlong was fourth at 43-11.5.

As a result, West Fargo enters day two Saturday within striking distance of meet leader Bismarck Century. The Patriots ended Friday with 32 points, with Bismarck Legacy and the Packers tied for second at 28.

Corode may have another trip to the podium in his future, as he enters Saturday as the top seed in long jump.

"I'm just looking forward to long jump to see what I can do there," he said.

## Century repeats as Class A state boys track champs, Packers take third

**BISMARCK** — After shattering the state triple jump record Friday, Nsengiyumva Corode admits he wasn't as physically sharp on Saturday.

To the chagrin of the rest of the North Dakota Class A boys long jump field, that slowdown wasn't anywhere near enough to knock him off the first-place podium.

Corode earned his second state title in as many days with a jump of 22 feet, 10 3/4 inches, as the Packers had three of the top-four finishers in the event, en route to a third-place team finish.

For the second year in a row and the fourth time in five seasons, Bismarck Century captured the Class A boys title, finishing with 137 points. Bismarck took second with 111, while the Packers were one point ahead of Bismarck Legacy in third with 96.

Though happy with the win, Corode entered with expectations to break a meet record of 24-6, set by Nate Keller in 1998.

But after competing in the 800-meter relay, where he, Jada Kuchlong, Joel McIntosh and Daniel Collins placed second in 1 minute, 29.82 seconds, he admits he wasn't operating at full strength.

"I just tried to perform to the best of my ability," he said. "I'm not really too pleased, but I still came out on top."

Right behind him was junior teammate Marcus Gulley, who had a top jump of 22-4 1/2. Also cracking the top five for the Packers was fellow junior David Daniels, who took fourth at 21-10 1/2.

The performance briefly put West Fargo in the lead Saturday and keyed the best scoring performance by an East team at state since 2013, when the runner-up Packers scored 108.

It also helped West Fargo head coach Darin McKinnon win Class A boys coach of the year honors.

The Packers aren't expecting a drop off in the long jump next season, with one competitor expecting even better things in 2020.

"We're looking to go 1-2-3 next year," Gulley said. "And I'm going for one."

**BISMARCK** — Michael Kalianoff wouldn't have seen this ending coming four years ago.

In his first season as the strength coach of the West Fargo High School track and field team, Kalianoff began working with an undersized freshman jumper named Nsengiyumva Corode, who aspired to rewrite both the school and state record books.

Did Kalianoff, who served as the team's jumps coach in 2019, think the diminutive Corode would achieve that goal?

"Absolutely not," he said.

But when Corode, still standing at just 5-7 as a high school senior, did become the most accomplished triple jumper in the history of the Class A State Tournament, Kalianoff was the first person to greet him, as the two shared an emphatic embrace just outside the sand pit, celebrating the achievement of a goal they'd been chasing their entire time together.

As his career progressed, Corode's aspirations started to become more plausible, as he entered State as the top seed in both the triple and long jump.

On just his second attempt in Friday's triple jump, a state record that had stood since 1998 was his, as he landed at 47 feet, 1/2 inches. With that goal achieved, he set his sights on breaking Jaime Heinen's school record of 47-2.

On his final jump of the day, he trumped that mark with room to spare. Surrounded by cheering teammates and coaches, Corode launched himself at a distance of 48-5, landing to thundering applause from an audience that seemed instantly aware of what he'd just accomplished.

"I had the school record on my mind this whole year," Corode said afterwards. "I cleared my mind, I told myself I could do it and I did it. As soon as I landed (I knew) that was the best jump I ever had. I didn't even think my body could go that far."

While not a record-breaking performance, Corode captured another state title in the long jump on Saturday, jumping 22-10 3/4.

Corode, who was also took second with Jada Kuchlong, Joel McIntosh and Daniel Collins in the 4x200 relay, led a stellar showing in jumps that briefly put the Packers on top of Saturday's leaderboard.

Teammate Marcus Gulley was second in both triple (44-4) and long jumps (22-4 1/2), while Kuchlong (43-11 1/2 in triple) and David Daniels (21-10 3/4 in long) both earned fourth-place finishes in their respective events.

The Packers ended up in third place with 96 points, the highest scoring total for an East team since 2013. The finish helped West Fargo head coach Darin McKinnon earn Coach of the Year honors.

Any doubts Kalianoff may have had about Corode's record-breaking abilities had faded well before this weekend, and he had a very simple explanation as to why he was able to defy the odds.

"At the end of the day, work ethic will always trump talent," Kalianoff said. "You can't change how you're built, how long your limbs are, but you can always work harder."

### **Williams wins the 200**

For some runners, winning your first state title as a freshman may take some pressure off as they prepare for future state tournaments.

West Fargo's Jasmine Williams, who won the 200 in 25.70 Saturday, isn't one of those runners.

"It adds pressure on," she said. "I want to keep going."

Williams nearly left Bismarck with two state titles, as she missed the top spot in the 100 by just .06 seconds, placing second in 12.74.

Williams was the top performer for a Packer team that placed ninth with 29 points.

# OUTDOOR TOP<sup>®</sup> MARKS

The logo for Outdoor Top Marks is centered on the page. It features the words "OUTDOOR", "TOP", and "MARKS" in a large, bold, black, sans-serif font with a white outline. The word "TOP" is smaller and positioned between "OUTDOOR" and "MARKS". A registered trademark symbol (®) is located to the upper right of the word "TOP". Behind the text is a green graphic of an eagle with its wings spread wide, perched atop a stylized mountain range. The entire logo is set against a white background and is enclosed within a thin black rectangular border.

# It took persistence, but NDSU's Levin reaches elite status in college track and field

Written By: Jeff Kolpack | May 21st 2019 - 2pm.

North Dakota State's Amanda Levin, a West Fargo High School graduate, will compete in the long jump at the NCAA Division I Track and Field West Preliminaries Thursday through Saturday in Sacramento, Calif. NDSU Athletics photo

FARGO — It was around junior high when Amanda Levin saw a girl from Fargo South killing it in the North Dakota high school track and field world. Laura Roesler was an all-time standout at South and went on to a standout college and professional running career.

She was an idol for lot of younger runners, Levin included.

The former West Fargo High School sprinter eventually joined Roesler in becoming a multi-event North Dakota Class A state champion winning the 100, 200 and 400 meters her junior year. She most likely would have repeated the feat, but an ACL tear early in the Packers volleyball season made for an injury-plagued senior running season.

Five years later, Levin is one of the top heptathletes in the country. She's qualified for the NCAA Division I Outdoor Track & Field Championships in the seven-event heptathlon and could make it a double nationals entry by qualifying in the long jump in the NCAA West Preliminary Rounds this weekend in Sacramento, Calif.

"This has just been the best year yet," Levin said.

Her best year stemmed from a decision over a year ago to redshirt last year's outdoor season. Nagging shin injuries were the culprit, so Levin decided to enroll for a master's degree in retail merchandising and design.

The extra year helped her further study and improve in the heptathlon. She became more consistent with the technical events, shattering the NDSU school record held by Whitney Carlson with a 5,695-point effort at the Bryan Clay Invitational in Azusa, Calif. That was 139 points better than Carlson's 2011 mark.

"It was ideal conditions and mentally she was ready to go," said NDSU head women's coach Stevie Keller.

The top 24 scores after conference meets automatically qualify for nationals in the heptathlon. NDSU is pretty adept at the multi-events with a current No. 1 team ranking in the country. The top four of Levin, Macy Denver, Jenna Kes and Dakota Wood average a national-best 5,088 points, with the Bison the only school with four women scoring more than 4,750 points.

For Levin, reaching that level was an exercise in patience. The ACL injury her senior year in high school still lingered during her first two years of college.

"Even going into the fall season when I came here, I almost didn't even want to do track," Levin said. "I wasn't as fast as I was and wondered if I would be able to keep up."

She stayed with it, and took the time in those two years to learn the seven events of the heptathlon. She had never hurdled, jumped or thrown in high school.

"And those first couple years were definitely a learning curve," Levin said. "After that, things started coming together."

It's yet another victory for a local athlete reaching high-level Division I status. She's keeping an open mind to competing past college, saying it may depend on how she does at the NCAAs.

The USA Track & Field Championships are set for late July in Des Moines, Iowa. She's currently 10th on the Division I heptathlon performance list.

"She's been able to put it together," Keller said.

Off the track, Keller said, she's done that for five years calling her "a great team leader."

“She’s been a Bison through and through,” Keller said. “As a little kid, she was always at Bison athletics stuff. It’s been great for us to get another North Dakota kid to stay in state and have the success that she’s had. We have a long list of kids from North Dakota and small-town Minnesota who come into our program and we see them continue to improve. Sometimes it takes four or five years but they put things together.”

Those five years, Levin said, went by fast. What perhaps started as a kid looking up to Roesler now finds herself in elite company in Division I track and field. Former bad knee, and all.

“It seems like a fairy tale ending almost to my career,” Levin said. “So it’s been really good.”

## West Fargo throwers proving vital for NDSU program

Written By: Zach Staton | May 5th 2019 - 10pm.

FARGO — Akealy Moton and Alex Talley made serious noise during their time with West Fargo track and field, winning multiple state titles as throwers with the Packers.

Now both are at North Dakota State, hoping to repeat the same success.

"I'm proud of how West Fargo is doing," Talley said. "We really have a big presence here at NDSU."

How they got there, however, was a tale of two stories.

Moton chose a completely different sport, playing basketball at North Dakota out of high school. After her freshman year on the team, she ended her hoops career. She made a phone call to NDSU throwing coach Justin St. Clair.

"In high school, Sinclair told me if basketball wasn't an option to give me a call, so that's what I did," Moton recalled.

It was the right career choice. Moton now has the sixth best shot put in the country and is at the top of the Summit League by over three feet.

Talley made the immediate decision to go to NDSU out of high school. He had two years to develop before coming out hot the season. The redshirt sophomore placed second in shot put at the Summit Indoor Championships.

Both say the atmosphere at NDSU is different than high school, but they can't help but make each other better.

"It's a lot different, the amount of time that is required to be great at the Division one level compared to the high school level," Talley said.

"It was definitely fun," Moton said. "We fed off each other a lot."

Both say being homegrown talent has helped them have a greater desire to make the Bison program better.

"Coach Sinclair really looks for the North Dakota kids," Talley said, "because we do have a certain work ethic that we can work with."

The Bison have three athletes from West Fargo at the NCAA Track and Field Championships

AUSTIN, Texas — North Dakota State has seven student-athletes representing the Bison at the NCAA Track and Field Championships.

Of those seven, three are from West Fargo High School: Alex Talley (shot put, hammer throw), Akealy Moton (javelin, shot put) and Amanda Levin (Heptathlon).

“It seems kind of crazy,” Levin said “I actually think it’s really cool that we’re all going together. It feels like state track again, but definitely at a higher level obviously. I think that we can all go out there and really perform well, so I think it will be fun to see how each one of us does.”

Moton competes on Thursday, while Levin begins the heptathlon on Friday.

Talley placed 22nd in the hammer throw and 19th in the shot put.

AUSTIN, Texas — North Dakota State freshman thrower Akealy Moton set a school record in the shot put Thursday at the NCAA Division I Outdoor Championships.

The West Fargo graduate's record-setting mark of 57 feet, 3 1/2 inches was good for fifth place and first-team, All-America honors. She tied for the second-highest NCAA outdoor finish ever by a Bison woman. Moton will compete in the javelin at 2:30 p.m. Friday.

NDSU junior thrower Bailey Retzlaff notched the best hammer throw of her career Thursday. Her mark of 209 feet, 7 inches was good for 14th place and second-team, All-America honors. Retzlaff moved to third all-time at NDSU in the event.

# Levin earns honorable mention all-America honors to conclude Bison career

# "I made the right decision"

One year ago, Akealy Moton's athletic career was shrouded in uncertainty.

Having completed her freshman season on the University of North Dakota women's basketball team, Moton decided she not only needed a change of scenery, but a change of sport. A three-time state champion in both shot put and javelin at West Fargo High School, she elected to pursue track and field at the Division I level, signing a National Letter of Intent with North Dakota State last May.

Following a redshirt freshman season in which she rewrote the Bison shot put record book, one of the toughest decisions of Moton's life has also proven to be one of the best.

Already a program record holder and Summit League champion in shot, Moton broke her record by two inches with a toss of 57 feet, 3 1/2 inches at the NCAA Division I Outdoor Championships in Austin, Texas Friday. She finished the event in fifth place and earned first-team All-American honors.

She also competed in the javelin at nationals, placing 20th with a throw of 144-5.

The choice to leave basketball behind remains a difficult one for Moton, but time, and great success, are helping to heal that wound.

"(Basketball) has always been a really, really big part of my life," she said. "It's hard and still is hard. But I can tell I made the right decision."

If there's any remaining uncertainty about her athletic future, it's of a much more positive variety. Moton says she isn't sure how high her track and field ceiling is, but is eager to find it in the coming seasons.

"You never know how far you can go so you never know (what) that ceiling can be," she said. "But it's definitely something I'm excited for. It's been such a humbling thing to know you've got a great start on where you could be in the next couple years. Experiencing that makes me more hungry for the years to come."

Moton wasn't the only West Fargo graduate to compete with the Bison in Austin over the weekend.

NDSU senior Amanda Levin was an All-American honorable mention in the heptathlon, placing 21st with a score of 5,332. Levin shattered the program record with a score of 5,695 earlier this season and also won a Summit League championship in the event.

On the men's side, Alex Talley earned honorable mentions in the shot put and hammer throw. He placed 19th with a distance of 60-8 in shot and threw 214-9 to take 22nd in hammer.

Talley was the 2019 Summit League champion in the hammer throw.

SIOUX FALLS, S.D. – North Dakota State freshman thrower Akealy Moton has been named The Summit League women's outdoor field athlete of the year while NDSU's Stevie Keller was named the league's women's outdoor track and field coach of the year and Don Larson was named the league's men's outdoor coach of the year.

Moton, a freshman from West Fargo, placed fifth in the shot put at the NCAA Outdoor Championships that earned her first-team All-America honors. She was the highest Summit League women's finisher at the national meet, and the lone Summit League woman to qualify in a pair of events.

Keller earned his fourth Summit coach of the year award after guiding the Bison to their 12th straight outdoor league title. NDSU sent 13 women's entries to compete at the NCAA West Preliminary Rounds, and four advanced to the NCAA Outdoor Championships.

This is the 10th consecutive league outdoor coach of the year honor for Larson, who guided the Bison men to their 10th straight conference title and their 11th in 12 seasons of league membership.
