Key returners as well as fresh faces expected to fuel success this season

By Josh Francis

The West Fargo High School boys and girls track and field teams are relying on some key returners to fuel success this season, but they also expect some fresh faces to contribute to their success.

Boys and girls head track

and field coach Darin McKinnon said his teams are capable of competing with the top teams in the Eastern Dakota Conference.

"We've got a very talented upper class. We've got a lot of strong kids" McKinnon said. "We're real excited

about that."

McKinnon said both teams also have a lot of underclassmen who will help the Packers compete for a top spot in the EDC.

Seniors Alex Talley and Keely Walker and sophomore Akealy Moton are three of the region's top shot-putters. Moton won a state title in shot put and javelin throw last year.

Talley was the runner-up in the shot put at last year's state meet, and won the first shot put event of the season on Friday, March 18, at the Cobber North Dakota High School Track and Field Invite at Concordia College. Moton won the girls shot put event and Walker took second.

"I think one of the things

that we benefit from with our program is, all of our programs work and help each other," McKinnon said. "All together in one as a school, we get a lot of kids that are multisport athletes because they got that competitive edge, and they go from sport to sport because it makes them better."

Talley, like other seniors, has his sights set on a state title.

"It definitely sticks out that I won't be back here next year, and it's really sad, but it makes me want to try harder while I am here and make the most of it while it lasts," Talley said.

Walker is in an interesting predicament. Her toughest competition in the shot put and javelin is teammate Moton. Walker said the key for her and the entire team is consistency.

"We're trying to keep up the same pace the whole

season, because last year we went really hard at the beginning, but we kind of like died down," Walker said. "I think it's important that we push through it this year, to keep going."

In the Packers' first meet at Concordia, the boys placed third out of 10 teams and the girls took fourth out of 11 teams.

Top finishers for the girls were junior Jen Dufner, third in the 1,600-meter run; eighth-grader Madison Berg, third in the pole vault; freshman Madison Connors, fourth in the high jump; sophomore Tiana Pfaff, second in the long jump; Moton, first in the shot put; Walker, second in the shot put; senior Lexi Stein-McAndrew, third in the shot put; the 4-by-800-relay team of Madysen Nelson, Emmalee Burtsfield, Nikki Schreiner and Dufner, first;

and the 4-by-400-meter relay team of Brie Pulczinski, Kesia Gbadoe, Dufner and Pfaff, second.

On the boys side, the top finishers were sophomore Skylar Schaefer, fifth in the 55-meter dash; sophomore Noah Schaefer, second in the 800-meter run; freshman Jace Dullum, third in the 1,600-meter run; sophomore Jacon Levin, first in the long jump; sophomore Paul Holaday, fifth in the high jump; fifth place in the triple jump; Talley, first in the shot put; junior Zach Willis, third in the shot put; 4-by-800-meter relay team of Jacob Franek, Drew Mears, N. Schaefer and Dullum, second; 4-by-400-meter relay team of Alexander Sell, Zach Hillen, Jake Svenby and Josh Dockter, fifth.

### Jen Dufner Packers

Packers junior Jen Dufner helped score 24 points for her track and field team in its first meet on Friday, March 18.

Dufner was third in the 1,600-meter run and she was a member of the second-place 4-by-400-meter relay team with Brie Pulczynski, Tiana Pfaff and Kesia Gbadoe, and the first place 4-by-800-meter relay team with Madysen Nelson,

Emmalee Burtsfield and  
Nikki Schreiner.

### Tiana Pfaff Packers

Packers Sophomore Tiana Pfaff placed second in two events at Friday's Cobber North Dakota High School Track and Field Invite at Concordia College.

Pfaff was second in the girls long jump and was part of the second-place Packers' 4-by-400-meter relay team along with Jen Dufner, Brie Pulczynski

and Kesia Gbadoe.  
Pfaff placed 18th out  
of 108 runners in the  
.55-meter dash.

# Moton, Sand pick up championships at state indoor track and field meet

By Tom Mix

tmix@forumcomm.com

Hundreds of North Dakota prep athletes packed North Dakota State's Shelly Ellig Indoor Track and Field Facility on Friday for the annual North Dakota Class A boys and girls indoor track and field state meet.

Two West Fargo standouts—senior Kennedi Sand and junior Akealy Moton—each won championships at the meet that highlights the indoor season.

Sand won the 60-meter hurdles event by a narrow margin, edging Fargo Davies' Sally Korgho by four-thousandths of a second. Sand finished with a time of 9.693 seconds while Korgho posted a 9.697 time. It was a personal-best time for Sand, who is a North Dakota State track and field signee.

"It means a lot to get that time," said Sand, who also finished fifth in the high jump. "I worked hard to get there. It feels good to finally win it and get that (personal-best time). I had a really bad start. I just changed my start so that was one of the first times running that event after changing the start so hopefully it gets better down the stretch when I need it."

Friday's meet was Sand's first competition this spring, she will run for NDSU next year.

"It's a good start to the season," Sand said. "Hopefully we can finish that way, too."

Moton won the shot put with a throw of 44 feet, 3 1/4 inches. She is the state's defending champion in the shotput and javelin. However, during the indoor season, throwers

are limited to the shot put.

"Obviously I want to throw javelin and discus right now, but at the same time I need to better myself throwing shot put too," Moton said. "It helps me prepare for that and the outdoor season at the same time."

**West Fargo's Talley takes first in shot put**

West Fargo senior Alex Talley won the boys shot put with a throw of 55-9—more than 2 feet better than next best mark.

"My throws were very consistent," Talley said. "I stayed around the 54-0 area. It was a lot better than practice. It's a lot more fun to throw at a meet."

His throw was two feet farther than the one he turned in earlier this season at the team's first indoor meet.

"I have a lot of work to do to get back to where I was

at the end of last season, but I'm looking forward to it and I couldn't be happier with how things went (Friday)," Talley said. "I've finished second at state in the shot put the last two seasons, so I'm really hoping for No. 1 this year."

**West Fargo 4-by-400-meter relay team takes first**

The West Fargo relay team of Jacob Levin, Jake Svenby, Alexander Sell and Noah Shaeffer took first place in the boys 4-by-400-meter race.

They beat second place Mandan by three seconds.

The Packer boys took fifth overall at the meet, and the Packer girls took fourth place. The Sheyenne boys finished in 15th place, and the girls finished in 14th place.

### **Akealy Moton wins EDC shot put event**

West Fargo High School junior Akealy Moton took first in the girls shot put event at the Eastern Dakota Conference indoor meet on Friday, April 8 at the Shelly Ellig Indoor Track and Field Facility.

Close behind Moton were teammates Keely Walker, who finished in second in the event, and Lexi Stein-McAndrew, who finished in fourth. Other top finishers on the girls side included senior Kennedy Sand's second-place finishes in the 60-meter hurdles and high jump events. Junior Jen Dufner also placed second in the 1,600-meter run.

The top finishers for the Sheyenne girls included the third-place 4-by-800-meter relay team of Katrina Dietz, Eden Smith, Katelyn Ask and Mattyson Barta; a sixth-place finish by sophomore Caleigh Anderson in the 1,600-meter run, a sixth-place finish by sophomore Cadyn Schock in the high jump, a fourth-place finish for sophomore Emily Stillwell in the pole vault event, a fifth-place finish by freshman Madison Daub in the pole vault event, and the fourth place finish by the 4-by-400-meter relay team of Alexis Hoffner, Ask, Dietz and Barta.

The Packers finished in third place behind Grand Forks Red River and the meet champion, Fargo Davies. The Mustangs finished in sixth, out of 11 teams.

### **Talley wins shot put at EDC indoor meet**

West Fargo High School senior Alex Talley took first place in the shot put event at the Eastern Dakota Conference indoor meet on Friday, April 8 at the Shelly Ellig Indoor Track and Field Facility.

His finish helped the Packers edge out a top four overall finish at the meet, the Packers finished in fourth place out of 11 teams and the Mustangs finished in sixth place.

Top finishers for the Packers included a third-place finish by the boys 4-by-400 relay team of Weston Schatz, Jake Svenby, Alexander Sell and Joshua Dockter; a second place finish by Schatz in the 400-meter dash, a fourth-place finish in the 1,600-meter run by freshman Jace Dullum, a third place finish by the boys 4-by-200-meter relay team of Skylar Schaefer, Jacob Levin, Michael Yeanay and Alessandro Genova; a fourth place finish by Schaefer in the 60-meter dash and a second-place finish by Levin in the boys long jump.

The top finishers for the Mustangs included a fourth-place finish by junior Jesse Shorma in the 400-meter dash and third place finish in the triple jump, a third-place finish by Kody Coles in the 800-meter run, a third-place finish by Devin Schatz in the pole vault event, and a second-place finish by the 4-by-400-meter relay team of Kyle Hololien, Yariel Rivera-Mijica, Ethan Holder and Coles.

THROW

A young woman with brown hair in a high ponytail is sitting on metal bleachers. She is wearing a black hoodie with a green and white graphic, a black Nike headband, and black socks with a white Nike swoosh. She is holding a white softball bat with green accents. The background consists of a chain-link fence and the structural beams of the bleachers.

**G**oofy, funny, encouraging, outgoing. These are just a few of the words that Keely Walker's teammates use to describe the West Fargo High School senior athlete.

"You can take 'outgoing' off of my list and put it on hers," Keely said, pointing to fellow track and field teammate Akealy Moton, "She talks to everyone."

Keely and Akealy spend a lot of time together during the track and field season, practicing with their teammates and pushing each other to perform their best in shotput, discus, and javelin. When asked what their typical practice is like, Akealy joked, "I basically yell at Red [Keely's nickname] to keep going."

It's immediately obvious that Keely and Akealy are both easygoing and often joke around with each other, which they both say comes along with being on the same team with someone for their entire track and field career.

"We spend a lot of time together during track season," Akealy said. "We're everywhere together."

Both girls are standout throwers on the West Fargo track and field team who competed and placed in last year's state track and field meet. While these two athletes live and breathe their field events during the season, they didn't always harbor such an intense devotion to the sport.

Akealy's brother Caleb encouraged her to try javelin during her 7th grade year. During her first day at practice, Akealy says she hit the back of her head three times in a row trying to practice her throwing form, but followed Caleb's brotherly advice: "It's not that hard, just throw."

Keely was also a 7th grader when she joined track and field, but was initially hesitant to join the team. Since softball takes place during the same time of year as track and field, she could only compete in one sport.

"My dad said I could play softball in the summer and made me do track and field to expand my horizons," Keely said. Her reaction to the news?

"I cried," Keely said.

Despite Keely's less-than-enthusiastic reaction to the beginning of her track and field career, her uncle was excited to pass on his expertise to his niece.

"My uncle won state shot put when he was in high school and he was one of the first people who ended up helping me with my form," Keely said.

Akealy's family also has a history with track and field – her mother ran a majority of running events and her grandpa was a track and cross country coach. Akealy says that her father is very supportive and gives her good advice when it comes to her athletic career. "He tells me not to worry what other people say and just try to do what I can do to the best of my ability."

Flash forward to senior year, and Akealy and Keely both have state medals under their belts and are looking forward to another run this year. At last year's state meet, the two girls tied for third place in discus, Akealy placed first in shot put and javelin and Keely snagged the third place medal in shot put.

"It was all a blur," Keely said, when asked about her experience at the state competition.

Their goals for the upcoming track and field season are to beat their personal records from last year.

"I want to improve on distance and form," Akealy said. "Just improve off of where I left off."

Keely also set personal goals for the upcoming season, but says she and Akealy wants to help prepare their entire team for next year. "I try to cheer my teammates as much as possible. I want to help other people and I want our team as a whole to have more qualifiers. We had three

state qualifiers last year, but no one else placed. As leaders we're going to have to step up this year and get them there."

Both Keely and Akealy are quick to attribute their success at last year's state meet to their teammates and the positive environment the team has created together. The throwers on the team regularly bond over food, taking trips to Applebee's after their weekend meets and partaking in Akealy's unique snack choices during the meet: cereal, cookies, and different types of sunflower seeds.

"I think I feed everyone during meets," Akealy joked.

When asked to describe their team's dynamic, track and field teammates Alex Talley and Dylan Anthony said that the throwers are very supportive of each another.

"We are very encouraging. We have a lot of fun with each other," said Talley.

"We have the most fun!" Anthony quickly corrected.

Keely and Akealy both agreed that the throwers have created a supportive environment for everyone on the team.

"We make it better in the end," Akealy said. "If you're on a team and you're not super comfortable with everyone, you won't want to put in the extra work."

For Akealy and Keely, connecting with their teammates and putting in additional time to improve their performances isn't a problem.

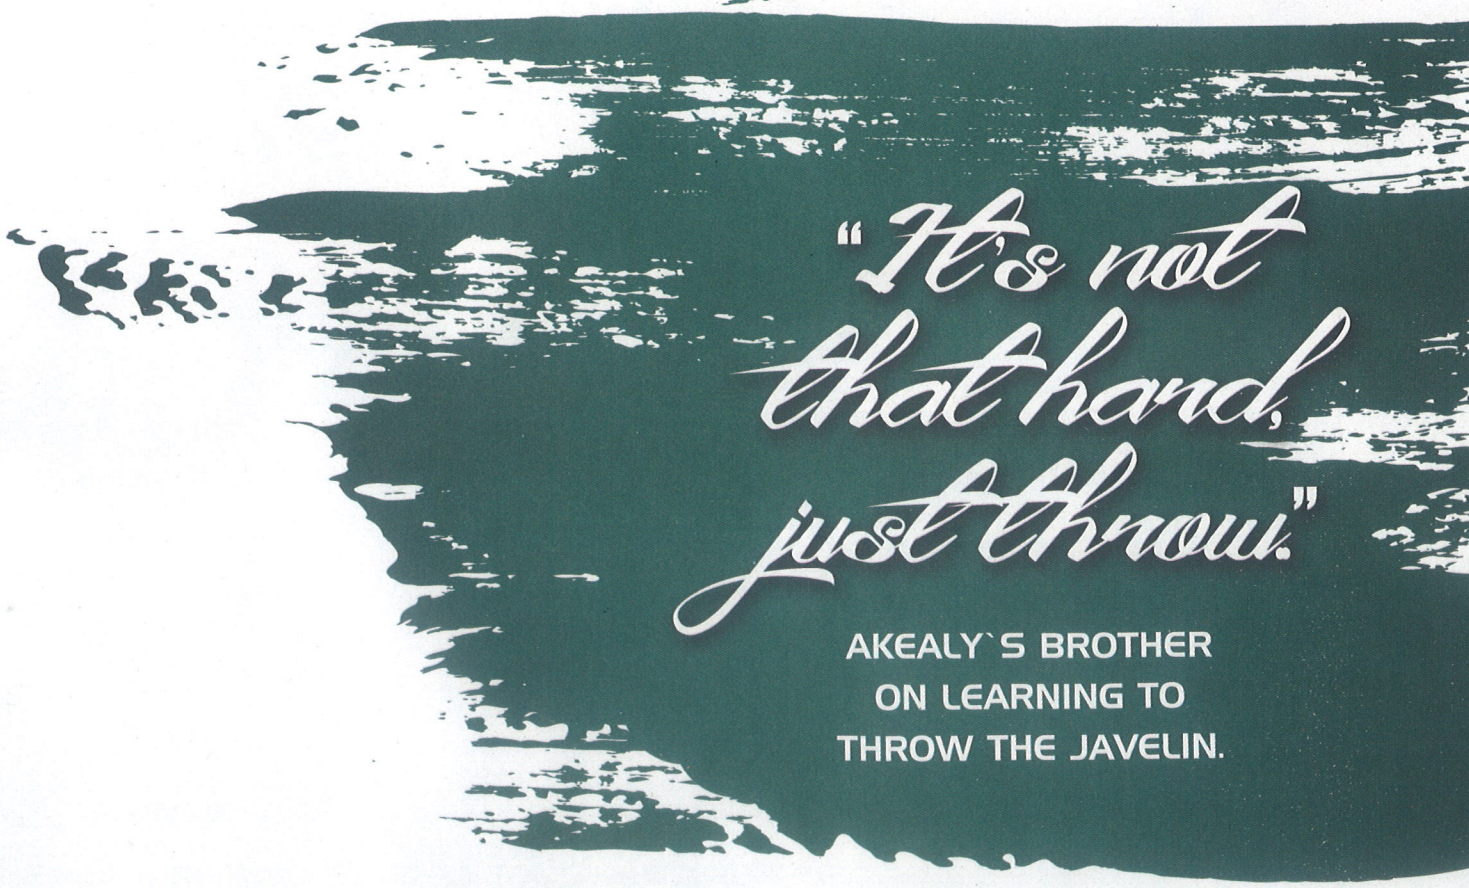

"My dad and I have a saying: champions are made in the off season," Keely said.

Both girls have already started making plans for the future. Akealy has her sights set on first place medals for all three field events at the state track and field. Keely plans to compete in track and field at the collegiate level and recently committed

to the University of North Dakota (UND).

"UND has been on my radar for a long time," Keely said, and talked about her family connections to the university and the college's quality health programs. She plans to become an orthopedic physician after college and says her passion for the health field was sparked by her positive experience with the trainers at her high school and her work as a student trainer for her high school's football team.

With the upcoming track and field season starting soon and post-high school plans underway, the future looks bright for both Keely and Akealy. **FMSV**

# Packers, Mustangs do well at Eagle Relays

## Pioneer staff reports

The West Fargo Packers and Sheyenne Mustangs had several top finishers at the Eagle Relays on Friday, April 22, at Fargo Davies High School.

Packers junior Akealy Moton placed first in the javelin throw and shot put. Packers senior Keely Walker finished first in the discus throw and second in the shot put.

Senior Kennedi Sand placed first in the high jump and was a part of the 4-by-100-meter hurdle relay team (with Jenna Beck, Breanna Gores and Jayden Halverson) that took second place.

Packers junior Jen Dufner also picked up a first in the 1,600-meter run.

The Mustangs' relay team of Albi Blanche, Abby Wendel, Macey Perius and Keauna Hansen earned Sheyenne its one first place finish on the girls side in the 800-meter sprint medley. Sophomore Caleigh Anderson placed second for the Mustangs in the 3,200-meter run.

The Mustangs' 4-by-100-meter relay throwing team of Kierra Freih, Bailey Hoffner, Kayla Stroh and Brooke Prochaska took second.

On the boys side, Alex Talley won two events for the Packers in shotput and discus. The Packers' 4-by-100-meter relay throwing team of Dylan Anthony, Ben Dirks, Eli Gulland and Alex Talley took first.

Senior Jacob Franek placed second in the 3,200-meter run for West Fargo and the Packers' 4-by-110-meter shuttle hurdle relay team of Michael Yeanay, Cody Binstock, Josh Herba and Zakariya Ahmed finished second.

## Local runners qualify for state track meet

A trio of West Fargo runners qualified for the state track and field meet in the boys 100-meter dash on Thursday, April 28, at Concordia College during the Shanley Track and Field Invite.

Packers junior Alessandro Genova took first, sophomore Jacob Levin finished second, and Mustangs junior Caleb Kuznia finished third.

Levin was first in the 200-meter dash and Kuznia second. Mustangs junior Jesse Shorma qualified for the state meet in the 400-meter dash with a first place finish.

Packers senior Alex Tallay continued his dominance in the discus and shot put events, taking first place in both events and qualifying for the state meet.

On the girls side, the Mustangs' 4-by-800-meter relay team of Katrina Dietz, Katelyn Ask, Kalley Miller and Mattyson Barta took first, qualifying for the state meet.

The Mustangs 4-by-200-meter relay team of Keauna Hansen, Barta, Abby Wendel and Macey Perius also qualified for the state meet with a third place finish. West Fargo's team of Kennedi Sand, Brie Pulczynski, Tiana Pfaff and Mykin Gunning qualified for state by placing fifth.

Hansen, a senior, also qualified for state in the 400-meter dash with a second place finish. Sand, a senior, qualified for state in the 100-meter hurdles by placing first and in the javelin throw with a fifth-place finish. She was also first in the long jump.

Packers junior Akealy Moton qualified for state in three events: javelin, shot put and discus. She was first in the javelin and shot put, and third in the discus. Seniors Keely Walker and Lexi Stein-McAndrew also qualified for state in the shot put.

The Packers finished third overall and the Mustangs fourth.

## Moton takes titles in shot put, javelin

West Fargo High School's Akealy Moton took first place, as expected, in two of her three events. She finished first in the shot put and javelin throw events, and finished second behind teammate Keely Walker in the girls discus throw.

"I think I just kind of go with the flow and see which event I'm doing well in and just keep going from there," Moton said.

## Talley takes two events

It was an emotional day for West Fargo senior Alex Talley, who was competing in his last meet at West Fargo High School. Talley was the favorite to win the boys shot put and discus throw events, and he delivered.

"It motivated me to do my best, I tried not to think about it as much as I could because I didn't want to get sad while I was

throwing, but definitely thinking about it after and feel like I've made a good mark on the school," Talley said.

## 'ONE MORE' SHOT AT GLORY

WF's Talley ready for last chance to make mark at ND state track and field meet

By Eric Peterson  
epeterson@forumcomm.com  
West Fargo

There are practice days when West Fargo assistant track coach Sarah Stanley tells senior Alex Talley it's time to go home.

The 6-foot, 240-pound Talley typically doesn't want to leave.

"His line is always 'One more,'" Stanley said. "He won't ever leave practice until he throws his best throw of the day."

The phrase "one more" also describes what is left in Talley's high school career. He has one more North Dakota state meet, which starts Friday at the Bismarck Community Bowl. He has one more chance to win a Class A title in the shot put and discus. He has one more chance to break a school record in both throwing events.

"When I go to these bigger meets, I want to show what I've worked for all year," said Talley, who also played

football and basketball for West Fargo. "It really drives me."

Talley has the top performances in both the Class A boys shot put and discus entering the state meet. His best effort in the shot put is 58 feet, 1 inch, while his best throw in the discus is 170-6. Both of those marks came at the East Region track meet last weekend.

"The coolest thing about Talley is every year at state he's PR'ed (personal

record) by a couple feet," said Stanley, who is Talley's shot put coach. "I'm not saying that's always going to happen, but he is definitely a competitor. He thrives on competition."

Tom Rausch holds the West Fargo record in the shot put with a heave of 60-4 in 1976. Dave Rausch has the school mark in the discus with a toss of 177-4 in 1975. Packers head coach Darin McKinnon thinks Talley has the potential to challenge those marks at the state meet.

"Those are two very good throws by those two guys," McKinnon said. "For Alex to be in that conversation is pretty special."

Talley has finished second in the Class A shot put in the previous two state meets and is a three-time state placer in that event. He qualified for state in the discus last season, but didn't place. Talley has improved his performance in the discus by 30 feet this season.

"He's a kid who rises to the challenge," said Adam Palczewski, who is Talley's discus coach.

"It's great for our program. Most of all, not because of the talent, but because of how humble he is. He cheers everybody else on. ... He

takes ownership of the program."

Talley's "one-more" throw attitude can result in him spending double the practice time for one of his events.

"There's been a couple times where I've went to shot put practice and I've been there for an hour already, and I say 'One more' and I end up spending another hour there," Talley said.

"You never want to end on a bad throw, but when you throw a good one, you want to keep throwing to throw another good one."

Talley, who has signed at North Dakota State for track, has one more weekend in his West Fargo uniform.

Talley said he's more focused on winning both the shot put and discus at the state meet than

setting a school record in either event.

However, he admitted breaking one of the 40-year-old school records would be sweet.

"I'd be super excited and I'd probably go celebrate at Applebee's," Talley said with a laugh. "That's my go-to place after throwing."

# NORTH DAKOTA CLASS A STATE TRACK AND FIELD MEET

## West Fargo shines during first day of ND state track

By Scooter Pursley  
Special to The Forum  
Bismarck — West Fargo had a field day Friday on the opening day of the Class A state track meet. Junior Akealy Moton won the shot put and javelin, and senior Alex Talley had an easy time of it, winning the boys shot put. In addition, Packers senior

Keely Walker took second in the shot and senior Lexi Stein was seventh. And while the Packers were excelling in the field, Fargo teams were racking

up points on the track. The Fargo North boys won the 3,200 relay in a school-record 8 minutes, 1.22 seconds and Davies junior Hunter Lucas flirited with a state record in winning the 1,600 in 4:13.15. Moton wasted no time in getting her day started. She launched a winning

throw of 47 feet, 1 1/2 inches on her first preliminary throw in the shot. She tossed a 46-0 1/2 on her second. "It's a good distance," Moton said. "I still have next year and hope I can improve. My main goal is just to do my best."

Walker heaved her best throw of the season of 44-9 to take second. The UND-bound Walker said she used Moton's dominance of the event as motivation. "It started out frustrating, but I got used to it and it made me better to have that person there every day. I don't know if I'll ever be satisfied."

"I'm happy about," Moton said. "It means more to get (two wins) again. You have good days and your decent days. It was a decent day." Talley, meanwhile, tossed a 57-10 1/2 to bring home the title in the boys shot. He entered the meet with a state-best qualifying mark of 58-1. Talley hit the mark on his second throw then things "kind of went downhill." "I was trying to really get one out there and I kept messing up on the form, so it didn't go very far. I was really happy that

I got one that far. "I got second place the last two years, so I really wanted a first-place plaque in my house." Bismarck's Bradyn Thomas was second with a throw of 55-5 1/2. Back on the track, Fargo Davies junior Hunter Lucas ran away from the field in the mile run, setting a personal best by four seconds. Lucas roared away from the start and coasted to an easy win. "I just had a time in my head of 4:14 and tried to hit that," Lucas said. "I thought if I could get it I could possibly be the next

state champion." Lucas did better than that. He was less than a second off Rob Heen's state record of 4:12.76 and Lucas took time three times on the last lap to look behind to see where his competition was. "I looked over my shoulder ... probably not the best idea," Lucas said. "I was a little surprised, I thought they would be closer." Williston's Leif Everson was second in 4:20.57 and defending champion Sam Clausnitzer was third in 4:20.63. Almost as impressive

was Fargo North's win in the 3,200 relay. Freshman Alex Luz anchored the race and beat led the Spartans to a win over rival Fargo South. Luz lost the lead briefly to Muqsini Hussien with about 300 meters left and roared back in the final 100 meters to complete a school-record performance. "We tried to beat Fargo South because they beat us by six seconds in the EDC," Luz said. "The South dude passed me with about 300 meters left and I just waited. I knew my kick was better than

the South kid." Sophomore Garrett Krom and juniors Maxwell Evenson and David Dowdell ran legs on the relay. Fargo Davies junior Kylee Bergantine came into the meet with the third-best long jump and posted an 18-3, an inch less than the best qualifying mark. But it was good enough to win a championship. "It feels very good," said Bergantine, who hit the longest jump on her second leap of the prelims. Bismarck's Blythe Ehrmantraut was second with a 17-7 1/2.

## Four track athletes sign

West Fargo High School track and field standouts Keely Walker, Kennedy Sand, Lexi Stein-McAndrew and Alex Talley signed letters of intent to participate in the sport in college.

Sand and Talley will attend North Dakota State University, and Stein-McAndrew and Walker will attend the University of North Dakota in the fall.

"I really got the home feeling from the coach and the rest of the players," Talley said of NDSU. "I really felt like I fit in even before I went there, and it just seemed all-around right." He will study civil engineering.

Talley will be doing shot put, hammer throw and weight throw for the Bison.

Sand will be a pentathlon athlete for the Bison.

"I guess I've always wanted to go to NDSU, and their track program has really excelled lately, so that'll be really fun going into that," Sand said.

Her events will be hurdles, javelin throw and other running events. She intends to major in engineering.

Stein-McAndrew will do throwing events for the Fighting Hawks.

"There's great opportunities for both education and throwing track and field, so that made me choose it," Stein-McAndrew said. She plans to major in physical health education.

Keely Walker will also do throwing events for the Fighting Hawks.

"They've got a really great medical program, which is the field that I want to go into, and I think they've got a really great throwing program up there that I'd like to be part of," Walker said. She intends to major in biology and pre-med.

This season, Talley, Sand and Walker have each won events at a state or region meet, and Stein-McAndrew has placed in the top of her events in multiple meets.

AMANDA LEVIN

WEST FARGO > TRACK & FIELD

**MEET AMANDA LEVIN**, former West Fargo High School and current NDSU track and field star. In high school Amanda swept the North Dakota Class A state titles in the sprints as a junior in 2013, winning at 100m, 200m and 400m. As a sophomore, she earned runner-up honors in all three events, and she ran on West Fargo 4x200m relay teams that finished second both years. She placed 5th in the 100m, 7th in the 200m and 8th in the 400m as a senior while recovering from a knee injury and ranks among the top ten performers in North Dakota high school history with her 100m time of 12.05 seconds and her 200m time of 25.14. Now in her sophomore athletic season at NDSU, Amanda is competing in the pentathlon and sprints. Her NDSU team just won their 9th consecutive indoor summit league title.

**JACK MICHAELS:** NDSU has strung so many titles together in Division I track and field, what's it like being part of a dominant program?

**AMANDA LEVIN:** It's an amazing feeling to be a part of a program that is that dominant. It's a feeling that never gets old being part of a school that has a winning culture in many different sports.

**JM:** Talk about your preparation competing in a multi-event sport like the pentathlon.

**AL:** We practice a lot of the events throughout the week, we do some base training which includes running to prepare for the 800m, and a lot of technique goes into it. We practice hurdles, shot put, long jump, high jump. It depends on the week, and what we need to focus on for that next event.

**JM:** Do you have one particular event of those five events that you enjoy the most?

**AL:** I really like the long jump because it's something I never got to do in high school and it's fun to learn and try to get better each and every competition.

**JM:** In high school you were one of the top athletes in the state of North Dakota and had to overcome a devastating knee injury. Talk about overcoming that injury and what you learned about yourself.

**AL:** It definitely was a long road, that's for sure. It was one that I'm actually kind of glad that I went through because I learned what I am made of. The injury made me work hard and I learned a lot about myself. My faith helped me get through injury. One of my favorite sayings is from the Bible, Philippians 4:13, 'I can do all things through Christ

who strengthens me', and that helped me get through my injury; knowing that sports doesn't define me. It was an experience that I had to overcome, but my family, my friends, my coaches really helped me along the way and I'm at NDSU doing well now and even though it was tough, it was definitely worth it.

**JM:** Who do you credit for keeping your drive alive?

**AL:** My faith is very strong, my family pushes me to show me what I'm made of and they never give up on me. I've never given up on myself and I've had a lot of coaches along the way that believed in me, my teammates have been alongside me, and it's been a little bit of everyone helping me along the way.

**JM:** At NDSU you're competing with teammates who are potential Olympians, how much does that help drive you?

**AL:** Oh, it's amazing. At practice you look up at the walls and the banners, the All-Americans and future Olympians. It's crazy. You want to be like them, you want to push yourself and that's why you work so

hard because you don't want to let the team down because of all this excellence that you're surrounded by.

**JM:** I know a proper diet and what you put into your body helps it operate at a high level, but on those 'cheat days' what do you like to eat or snack on?

**AL:** I definitely like my pizza that's for sure. I also like to go to Kobe's with my dad, we like our sushi. I'm not too picky, I'll eat anything.

**JM:** What were your goals as a high school athlete and now in college? Have they changed much?

**AL:** My goals haven't changed too much, I'm pushing to be the best

that I can be. As a high school athlete and even younger I had always wanted to be a Bison when I grew up. Growing up around the Bison culture is what I wanted. I actually have a picture of me when I was younger in an old Bison jersey. So that's kind of cool to look back on, and now it's a reality.

**JM:** What would your advice be to young girls who want to do what you do?

**AL:** I would say that you can do anything that you put your mind to with hard work and dedication. I've learned lately that patience is key. Don't push too much, when it's your time it'll happen.

**JM:** What makes being involved in track and field at the college level so much fun for you?

**AL:** Being with my teammates and all the memories we have from our trips and continually making new ones, being around the coaches and the overall experience from competing against other people who have the same love of track and field.

**JM:** It's quite impressive that there are so many talented athletes competing at the college level from our own backyard and at NDSU.

**AL:** It's crazy. Morgan Milbrath runs at NDSU too. She's a great teammate and even better person, and it's fun to now be teammates with those that I used to compete against in high school.

**JM:** Thanks for the time Amanda and good luck in your next event.

**AL:** Thanks Jack.
