

The Education Portal is a robust and secure web-based system to transfer high school transcripts to participating colleges and universities. The Education Portal also provides students the opportunity to monitor progress and apply for the ND State Academic or CTE scholarship. For those students that enroll and complete dual credit college courses, those courses will be tracked within their eTranscript. Data for the Education Portal is pulled from the ND Statewide Longitudinal Data System (SLDS).

To access the Education Portal, log into PowerSchool

Messages are only available to colleges that participate in eTranscripts.

Selecting this tab will allow the student to send a Certified transcript to a participating institution.

To send a transcript select Country and State. Click on Search.

This will display all institutions available to receive transcripts in alphabetical order.

Under Action, select Send Now and/or Send After Graduation for the corresponding institution.

High school transcripts are available to be sent to any participating institution.

If an institution is not listed, fill out this link to have a paper copy of your transcript mailed to your college:
