

March 18, 2019

Dear Heritage Middle School Families,

This letter is to officially welcome you and your child to Heritage Middle School. To avoid having your child attend one year of middle school at Liberty before transitioning to Heritage, your child will be attending Deer Creek Elementary School next year as a 6th grader. The district will break ground this spring on Heritage, with construction continuing up until the fall of 2020. The students will transition to Heritage in 2020-21, when it opens its doors for the first time.

Heritage Middle School will hold registration on August 5 and 6 at Liberty Middle School due to the anticipated construction completion schedule for Deer Creek Elementary. Unless your child(ren) are currently attending another school within the district via a multi-year in-district transfer, you will need to register for 6th grade with Heritage Middle School. Our Back-to-School Night will be held on Thursday, August 22; I hope to see you there.

Next year, our 6th grade school day will run from 8:45 AM – 3:45 PM. The webpage for Heritage Middle School is still under construction. Make sure you check our website in the near future for information and updates on our school and other school-related information.

I hope you can join me for an informal "getting to know one another" event on April 2nd from 6:30-7:00 PM at Legacy Elementary. Please feel free to connect with me at that time on any questions or concerns. I will be in contact regarding upcoming transition events this spring.

I am excited to serve as the first principal of Heritage and to work with an excellent staff and parent group to open another great WFPS school! If you need to reach me at any time, please email me at espies@west-fargo.k12.nd.us or call me at 701-499-9003. I look forward to meeting the new middle school family soon!

Sincerely,

Dr. Erin Spies

Principal
Heritage Middle School
